

NEW HYBRID

OSHA FORKLIFT CERTIFICATION

WWW.LIFTOPTRAINING.COM

1. Online classroom

The same forklift classroom education moved online for your convenience.

2. Driving Appointment

We'll come to you or you can visit our location for a required driving safety obstacle course.

3. OSHA Certification

Access your certificate 24/7 from any web or mobile device or print a copy for your records!

WE'RE LOCAL! - HERC-U-LIFT

Herc-U-Lift & Lift Operator Training partnered to provide the highest quality, most convenient OSHA certification training in your area.

Herc-U-Lift safety driving locations are located in Maple Plain, MN, Sioux Falls, SD, Minot, ND, Des Moines, IA. Also, HUL can travel to your operation.

HERC-U-LIFT

WHY ONLINE / IN-PERSON?

- ✓ Fit OSHA Certification into your schedule, not around when the next class is available.
- ✓ Everyone learns at a different pace. Operators can learn as fast or as slow as needed.
- ✓ In a classroom course, there's a lot of waiting to drive the safety obstacle course. Schedule a 1-on-1 appointment with the new hybrid option.
- ✓ Accurately track OSHA compliance online and always have access to your records.
